Challenge	Approach	Do you want to discuss this?
Not sure if the status update template will be helpful to students	Have them use it for a few weeks, ask for feedback.	Possibly, will follow up ▾
Don't have a university zoom account for virtual kickoff meeting.	Use Google Meet.	Nope, I have it under control ▾
I don't know where students are at with regards to their IRB approval status	Reach out by email	Yes, that would be helpful ▾
